Note: If Interlabor incurs additional costs due to incomplete or obviously incorrectly completed supplementary sheets, we reserve the right to charge the costs incurred.

Completed by Interlabor:

No.	Sample -no.	Quantity received		= value confirmed by client ^{d)}		Second weighing		Balance no.	Gross 2
		Balance no.	Gross 1	yes	no	Balance no.	Gross 1		
1									
2									
3									
4									

Gross 1 = Container weighed **without** LIMS-label

Gross 2 = Container weighed **with** LIMS-label, Transfer to documentation for quantity tracking

^{d)} If gross 1 deviates from the customer's specifications by more than 0.1 g, the weighing is confirmed on a second scale (= confirmation weighing). If these results are identical, the weight determined by Interlabor is used as the new gross weight and the customer is informed of the deviation in writing (enclose documentation)
